Summary of Major Changes from Last Round’s Funding Rules:

- The total number of fellowships available has changed from “up to six” to “a minimum of six”.
- EoI applications must be emailed to research.preaward@mq.edu.au
1. Purpose of Scheme

The Macquarie University Research Fellowships (MQRF) Scheme has three main objectives:

1. To provide support to researchers within three years of the award of their PhD who have an outstanding track record (relative to opportunity) or who show evidence of excellent research potential.

2. To provide an incubation research period for early career researchers, allowing them to increase their competitive edge in securing research funding from non-University sources.

3. To enhance the research capabilities of existing and emerging areas of research strength at Macquarie University.

Applicants who believe their research is in an area of emerging strength for Macquarie must discuss this with their proposed Macquarie Sponsor.

2. Funding and Fellowships Available

2.1 Macquarie University will offer at least six full-time Research Fellowship positions commencing in 2015. Positions will be awarded on a competitive basis and will be tenurable for three years.

2.2 The salary range for the Fellowship salary will be awarded at step 6, 7 or 8 of Level A of the Academic Salary Scale, plus annual leave loading and 17% employer superannuation. These salary levels will be adjusted in line with movements in the Academic Salary Scale (see the Academic Staff Agreement on the Human Resources web page at http://staff.mq.edu.au/human_resources/ea/academic_staff_agreement/). Fellows will be paid on a fortnightly basis through the University's payroll system.

2.3 Salaries above the range A6–A8 cannot be supported by the Fellowship. However, supplementation by the host Department may be negotiated and applicants should then retain written confirmation of the agreed salary level from the Head of Department and the Faculty Executive Dean. Such supplementation may be considered appropriate where a Fellow is currently occupying a position above Lecturer Level A, or where their track record is such that a higher level of appointment is deemed appropriate. The Fellowships Panel will provide advice on appointment levels if requested to do so by the host Faculty. However, approval of the appointment level decided by the host Faculty is not required.

2.4 Applicants invited to submit a Full Proposal may apply for up to $50,000 over three years for research costs associated with the proposed project (up to a maximum of $20,000 in any one year).

3. Eligibility

3.1 Applicants are eligible only if their PhD was awarded on or after 1 March 2011, or will be submitted by 20 August 2014. The Fellowship cannot be commenced until the PhD has been awarded, which must be by 30 June 2015.

3.2 Applicants who do not meet the eligibility criterion set out above in 3.1, must make a convincing case for early career researcher status in Section 7 of the Expression of Interest Form. Circumstances establishing early career status beyond the above definition could
include career interruptions due to non-research employment, misadventure or carer responsibilities.

3.3 If a successful applicant is not an Australian citizen and does not have permanent resident status, he/she must obtain the necessary visa from the Department of Immigration and Citizenship before taking up the grant. http://www.immi.gov.au/. Please note that visa costs are not covered by the MQRF scheme; they are the responsibility of the Host Department.

3.4 Fellows must be in full-time attendance at Macquarie University for the entire term of the Fellowship with the exception of approved field work and travel.

3.5 Applicants who were/are PhD candidates at Macquarie University, or who have had full-time, part-time, or casual employment at Macquarie University since the beginning of 2013, must make a case (in section 10.2 of the Expression of Interest template) for why it is appropriate for them to continue or recommence their research career at Macquarie University.

3.6 Only applicants who have the agreement of a Macquarie University Sponsor are eligible to apply; see section 4 and section 5.1 below.

4. Fellowship Sponsor

Applicants and their proposed Fellowship Sponsor must consult closely with one another in developing the MQRF Expression of Interest.

4.1 Each Fellowship candidate must nominate a Sponsor from within the host Department at Macquarie University. In addition to having a research profile appropriate to the proposed Fellowship project, the Sponsor’s association with an area of recognised or emerging research strength within the University is important. Applicants must work with their sponsor to identify how the proposed research aligns with existing strengths or emerging areas of strength for Macquarie University. Sponsors should only agree to sponsor applicants who they believe unreservedly have the capacity to undertake the MQRF.

4.2 A Sponsor/Co-Sponsor may be named on only one Expression of Interest, and subsequent full proposal, per round of the MQRF Scheme.

4.3 Co-sponsorship for MQRF applicants is acceptable. If you have Co-sponsors, discuss the project with your proposed Co-sponsors and nominate a Primary Sponsor for the Expression of Interest.

4.4 Adjunct staff members and those holding University honorary positions are eligible to act as Sponsors provided their on-going research is primarily carried out at Macquarie University, such that their affiliation in respect of authorship of published work is given as Macquarie University.

5. Expression of Interest Preparation/Project Outline

5.1 All Expressions of interest must be reviewed and approved within the applicant’s proposed host Faculty prior to formal submission to the Research Office. Applicants must check with their proposed Faculty’s Faculty Research Manager (see section 12 below) for internal faculty deadlines.
5.2 Applicants are encouraged to take advantage of any mentoring or other grant writing assistance provided within their Faculty. Great care should be taken in preparing the Expression of Interest form. The application must be informative to non-experts in the field, such that readers can understand what it is that the applicant is proposing to do, and how this might be achieved.

5.3 Expressions of Interest are to be submitted on the MQRF Expression of Interest Form in Word format.

The Research Office will not accept any amendments to the Expression of Interest form after the closing date.

- Responses must be in Times New Roman size 12 font.
- Responses must be recorded in the boxes provided where applicable, and must be within the prescribed format.
- Margins and line spacing are not to be altered.
- Expressions of Interest are to be submitted in Microsoft Word format.
- Do not delete any instructions from the form.

The Research Office will check all Expressions of Interest for compliance with formatting guidelines, and will ensure that these guidelines have been adhered to.

**Expressions of Interest that do not comply with formatting will be ruled ineligible.**

6. **Selection Criteria**

**Applicant (40%)**
- Track record of the applicant relative to opportunity and career stage.
- Research performance and potential.
- All applicants must be able to demonstrate a track record of quality publications showing promise.

**Project Significance, Innovation and National Benefit (30%)**
- Does the research address an important problem within the discipline?
- Will the anticipated outcomes advance the knowledge base within the discipline?
- Are the project aims and concepts significant and innovative?
- Will new methodologies or technologies be developed?
- What is the potential for the research to contribute to the Strategic Research Priorities (http://innovation.gov.au/research/Pages/StrategicResearchPriorities.aspx)?
- How will Australia benefit from this research?

**Approach, Resources and Feasibility (15%)**
- Are the conceptual framework and methods appropriate to the project?
- Does the applicant have relevant experience with the methodologies to be used?
- Are there sufficient and appropriate resources (infrastructure and/or financial) available for the project?

**Sponsor, Environment, Fit and Benefit to Macquarie University (15%)**
- Is the intellectual environment appropriate to foster a successful outcome for the project and provide a strong foundation for the Fellow’s career?
- Does the Sponsor have the appropriate track record and the capacity to provide mentoring and intellectual leadership in the subject area of the proposed project?
- Has the applicant made clear why Macquarie University is the appropriate place for this project?
- Will the applicant and the project be integrated into a current or emerging research
7. **Budget**

There is no budget component at the Expression of Interest stage.

Applicants invited to submit a Full Proposal may apply for up to $50,000 over three years for research costs associated with the proposed project (up to a maximum of $20,000 in any one year).

8. **Submission**

The Expression of Interest application consists of the Expression of Interest Form: [http://www.research.mq.edu.au/for/researchers/applying_for_grants/other_external_funding/mqrf](http://www.research.mq.edu.au/for/researchers/applying_for_grants/other_external_funding/mqrf)

Expressions of Interest must be in the prescribed format as described in Section 5.3.

**Expressions of Interest that do not comply with these instructions will be ruled ineligible.**

The **Expression of Interest Form must be submitted electronically**, emailed as a Microsoft Word attachment to research.preaward@mq.edu.au (and copied to your proposed host Faculty Research Manager by the Research Office deadline of:

| EoI Closing Date: | 5pm, Wednesday 25 June 2014 |

Late Expressions of Interest will not be accepted and incomplete Expressions of Interest will be deemed ineligible. Please note that **hard copy applications will also not be accepted.**

9. **Certification**

Expressions of Interest do not need to be accompanied by the online MQ Certification Coversheet.

10. **Expression of Interest Assessment Process**

Assessment of Expressions of Interest is undertaken in two stages by the University’s Fellowships Panel. The Panel comprises senior Macquarie University academics. The Panel has the right to make recommendations to the Deputy Vice-Chancellor (Research) solely on the basis of its expertise. The Panel has procedures for managing any conflicts of interest experienced by its members, enabling them to withdraw from the assessment process of particular applications.

**Stage one:** Expressions of Interest are reviewed by the Research Office to confirm that applicants are eligible. **Formatting specifications will be applied as described in Section 5.3.**

Applicants deemed ineligible will be notified via email.
Stage two: Eligible Expressions of Interest will be evaluated by members of the Fellowships Panel against the Scheme’s selection criteria. The Panel will then prepare a shortlist of applicants who will be invited to submit full proposals. Successful and unsuccessful applicants will be notified of the outcome via email.

11. Appeals
Unsuccessful applicants have the right to seek a review of outcome, on procedural grounds only.

To request a review of outcome, please write a brief letter detailing the basis on which the review is requested. The letter, clearly marked “Confidential Appeal”, should be submitted to Ms Louise Fleck, Director, Research Office, Building C5C East.
