

## Excerpt from Discovery Grant Rules

### 3.6 Number of grants and applications

Limit type	Limit description
a. CI/Fellow limit	A researcher may not be involved in more than two <i>Discovery Projects</i> projects on which he/she is a CI or ARC Fellow, regardless of the number of PIs involved.
b. Sole CI/Fellow limit	A researcher may not be involved in more than one <i>Discovery Projects</i> project on which he/she is the sole CI or sole ARC Fellow, regardless of the number of PIs involved.
c. PI limit	A researcher may not be involved as a PI on more than four <i>Discovery Projects</i> projects (Note: a researcher who is eligible to be a CI is not eligible to be a PI).
d. Limit if a CI is substantially associated with a Commonwealth-funded Research Centre which will be funded in part or whole by the Commonwealth for 6 months or more in 2008	<p>Subject to subsection 3.6.1.2e and 3.6.1.2.f, a researcher who is nominated as a CI, and who is substantially associated with a Commonwealth-funded Research Centre which will be funded in part or whole by the Commonwealth for 6 months or more in 2008, may not be involved in more than one <i>Discovery Projects</i> project.</p> <p>For the purposes of this subsection, Centre Directors and Deputy Directors of Commonwealth-funded Research Centres, and researchers who directly or indirectly derive more than 30% of their Earnings from such Centres, are considered to be substantially associated with the Centre.</p>
e. Federation Fellow limit	A Federation Fellow may be involved in up to two <i>Discovery Projects</i> projects (one may be as a sole CI), in addition to her/his Federation Fellowship.
f. ARC Fellowship researchers at Commonwealth-funded Research Centres	A researcher who holds an ARC Fellowship, or is nominated for an ARC Fellowship, for which the Host Organisation is a Commonwealth-funded Research Centre may be involved in one <i>Discovery Projects</i> project, in
