

## Thesis Binding Services Information

The following list of binders is provided as a guide in finalising your thesis. Prior to submission, you are strongly recommended to read through [HDR Thesis Preparation Advice](#) available from the website of Higher Degree Research Unit.

You should obtain a quote of the total estimate of the cost for the job in writing prior to entering into any agreement with a binder. Please ensure that you receive a dated receipt/tax invoice when you handover your thesis. Your receipt is an important record for taxation purposes and in claiming thesis allowance (if eligible).

Check all final binding details prior to entering into any transaction including detail of gold blocking (if included), turn-around time, limits on thickness of the document, price for non standard requirements (disc pockets, extra gold blocking, graphs, drawing, photographs, and artworks), the deposit amount required, preferred method of payment, business hours and USB drive acceptance etc.
