

## HIGHER DEGREE RESEARCH COMMITTEE 3 February 2006

### Postgraduate Coursework Programs Considered Eligible for Candidature Entry and Scholarship Ranking

*The following programs are assessed as having sufficient research training such that applicants for research degree entry and for an HDR scholarship will qualify for consideration, subject to completion of the degree at a high level of achievement and meeting other criteria such as those defined in the scholarship ranking process and considered at the Departmental level to be essential. Offers are subject to the usual assessment process including the availability of supervision.*

### HDR Qualifying Programs by Division - ICS

Degree Name	Project Word Length	Project % of Program	Scholarship Ranking	Methods Unit Name.
