

HIGHER DEGREE RESEARCH COMMITTEE 3 February 2006

Postgraduate Coursework Programs Considered Eligible for Candidature Entry and Scholarship Ranking

The following programs are assessed as having sufficient research training such that applicants for research degree entry and for an HDR scholarship will qualify for consideration, subject to completion of the degree at a high level of achievement and meeting other criteria such as those defined in the scholarship ranking process and considered at the Departmental level to be essential. Offers are subject to the usual assesment process including the availability of supervision.
